

Instructions for the Omega Ampworks Quad Cortex Captures

PLEASE FOLLOW THESE INSTRUCTIONS

1. Add “OmegaAmpworksCaptures” on the cortex cloud application
2. Email us at QuadCortex@omegaampworks.com with the following information IN THIS FORMAT.

QC (cortex cloud) Username :

Order ID :

Name on the order :

**You must follow us on the Cortex Cloud before any files are distributed.*

3. We process the information and send you the files.

Included in the download file are the Impulse Responses that we have captured of our cabinets.

These preset have a Neural Capture of the amp that are DI, which can be used with any impulse response. We simply put our favorites from our IR Pack 1 that fit the tones best.

Disclaimer: Due to the process that the QC requires for sharing the captures orders placed before 3pm EST will get the files sent to them on Cortex Cloud by end of business day. Any orders placed after 3pm will be sent out at the end of the next business day. Holidays excluded.
