

High density aluminum alloy mounted onto sealed stainless steel ball bearings, making this high-strength swivel extremely strong and durable. Both delta rings allow room for multiple carabiners to easily clip in back-ups or transition from one anchor to another; they also allow for a directional pull.

SWIVEL

SELECTION & USE

PRESTO SWIVEL

ITEM NO.:

FP-8330-BLK

MBS:

36kN

DELTA SWIVEL

ITEM NO.:

FP-8300-BLK

MBS:

36kN

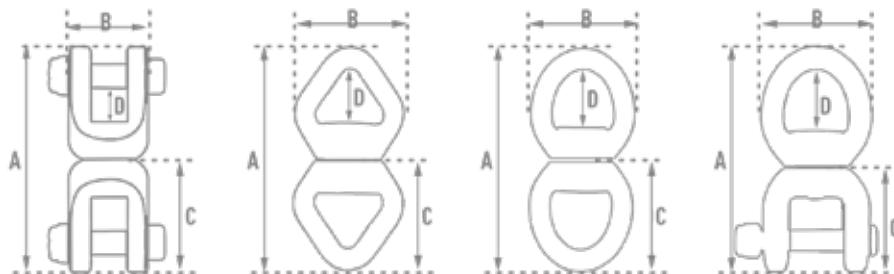

SWIVEL

ITEM NO.:

FP-8310-BLK

MBS:

36kN

ITEM NO.	MATERIAL	A	B	C	D	STRENGTH	WEIGHT
FP-8330	Aluminum	3.76	1.29	1.85	0.63	23kN	8.0 oz
FP-8300	Aluminum	4.33	2.15	2.16	1.14	36kN	6.0 oz
FP-8310	Aluminum	4.48	2.07	2.24	1.22	36kN	5.0 oz
