

Our high-quality climbing webbing is the perfect choice for climbers looking to take their performance to the next level. With a breaking strength of 5000lbs, our webbing is incredibly strong and reliable, ensuring maximum safety and peace of mind. Available in a range of lengths and colors, our webbing is versatile and customizable to suit your specific needs.

WEBBING

SELECTION & USE

QUICKDRAW WEBBING

ITEM NO.:

QD-1511-11

WEBBING WIDTH:

1"

LENGTH:

11 CM

DISCRIPTION:

Replacement quickdraw runners stitched from 0.75" (19 mm) wide 5,000 lb tested nylon. Tight on the rope side to keep the carabiner from spinning.

QUICKDRAW WEBBING

ITEM NO.:

QD-1511-20

WEBBING WIDTH:

1"

LENGTH:

20 CM

DISCRIPTION:

Stitched loops of 0.75" (19 mm) wide nylon webbing. Ideal for extending quickdraws or creating anchors. 5,000 lb MBS. Available in 20 cm long.

NYLON SLINGS WITH EYE TO EYE LOOP

ITEM NO.:

QD-1811-82

WEBBING WIDTH:

1"

LENGTH:

32" (80 CM)

DISCRIPTION:

Stitched loops of 0.75" (19 mm) wide nylon webbing. Ideal for extending quickdraws or creating anchors. 5,000 lb MBS.

INDIVIDUAL LOOP CHAIN

ITEM NO.:

QD-3015-80

WEBBING WIDTH:

1"

LENGTH:

36" (91 CM)

DISCRIPTION:

A chain of individual high strength nylon loops. By using individual loops instead of a traditional daisy chain, you prevent accidental unclipping when used as a personal anchor system. Multiple loops assists the climber to have the ability to use the different lengths based on the needs. Total sling strength is 5,000 lb rated. Each loop rated 5,000 lb breaking strength.

HEAVY DUTY DAISY CHAINS

ITEM NO.:

QD-2020-180

WEBBING WIDTH:

1.75"

LENGTH:

60" (152 CM)

DISCRIPTION:

The mother of all daisy chains! Made from 1.75" (4.5 cm) wide, 5,000 lb rated webbing, with each loop stitched and rated at 1,000 lb per loop. Designed as a component for search and rescue anchor systems. It's made tough enough to last. Overall length: 5 feet.

INDIVIDUAL LOOP CHAIN

ITEM NO.:

QD-2015-120-BLK

WEBBING WIDTH:

1"

LENGTH:

47" (119 CM)

DISCRIPTION:

0.75" (19 mm) wide 5,000 lb rated nylon webbing stitched back on itself to create loops (total 7 loops). Each loop is 1,000 lb rated. A daisy chain is a primary component to any aid climbing rig.

STITCHED NYLON LOOP

ITEM NO.:

QD-1151

WEBBING WIDTH:

0.75"

LENGTH:

8" /16" /24" /32" /48"

DISCRIPTION:

Stitched loops of 0.75" (19 mm) wide nylon webbing. Ideal for extending quickdraws or creating anchors. 5000lb MBS.
