

TUXEDO RENTAL INFO

We would like to congratulate you on your upcoming wedding! Our goal at Out of Town is to make your tuxedo selection and rental as smooth as possible.

We do require that you call ahead **(701-483-9203) for an appointment** with one of our tux specialist. We do not want you to be disappointed when you arrive at the store and no one is available to help with tuxedos.

FIRST STEPS

- First, make an appointment.
- At your first appointment we will need a complete list of the wedding party including first and last names and phone numbers.
- We also require clear instruction as to who is paying for the tuxedo rental, whether it is the groom or the attendant as this eliminates confusion on our part when a member of your wedding party arrives to be measured.
- Payment of half is required at their first fitting and the balance is due when the tuxedo is picked up.
- We do need to keep one credit card on file (usually it's the bride or grooms) in the case that someone doesn't return the tux, or for damages. We will have to charge this credit card if something is missing/damaged.
- We need to send in the request for rentals with all measurements 30 days prior to your wedding date. Therefore it is imperative that every wedding party member is either measured by us through an appointment or they are measured by a professional in their hometown and the measurements are phoned or mailed in. We cannot take responsibility for measurements that we do not do ourselves, but we will take the steps to make it right if something shows up in the wrong size.

THE WEEK OF YOUR WEDDING

- We usually receive the tuxedos on Monday or Tuesday and we will call you as soon as the tuxedos have arrived in our store. (some busy seasons, the tuxes come on Wednesday or Thursday)
- We encourage the wedding party to get in as soon as possible to try on their tuxedo at the store in front of us... in order to allow plenty of time to get any replacements if something may not work out.
- We will have changes "overnighted" to us. Therefore, if the wedding party waits until the day before the ceremony to come and try on their tux we will not have the time needed to make changes.

****Please remember appointments are required to select and measure tuxedos and all measurements need to be done by us or phoned/mailed to us 30 days prior to wedding date****

We look forward to being part of your big day, thank you for choosing Out of Town!!
