

Bezzera 3L Red 2-Group Professional Espresso Machine BZB2016R2DE

Quick Overview

- Practical choice. These high quality kitchen equipment provide an excellent foundation for any commercial kitchen, and has been proven through time to be one of Australia's work horses in the coffee industry.
- Reliable and efficient. Our espresso machines are carefully designed to meet every product's brewing capacity, with a modern and stylish touch—perfect for your kitchen!
- Great value for money. Get the longevity you need for the price you want with this latest update on the traditionally styled volumetric espresso machine you have loved for many years.
- Hygienic & easy to clean. Our products meet the appropriate Health Department requirements, and are easy to clean, with simple installation and remarkable service.

Description

Brew that perfect blend your customers crave with our Espresso Machine! It combines the practicality of a volumetric compact espresso machine with the production capacity of a 2 group espresso coffee machine.

The Bezzera B2016 espresso coffee machines range resume its main BEZZERA's distinctive marks: reliability, robustness, versatility!

This also works with a motor-pump – the groups have electronically regulated solenoid valves. You can obtain 4 different doses of coffee with constant quantity and temperature, settable doses and rebrewing.

Key Features:

- Stainless steel body, back cover available in stainless steel, red and black
- In-built water pump
- · Two fully flexible stainless steam and water arms
- Thermostatically controlled groups: the 50W electrical heater keeps the group temperature stable, even under heavy duty

conditions

- Automatically controlled copper boiler enables the optimum steam and hot water productivity
- Heat Exchangers: operated with a hydraulic circuit separated from the boiler, coffee is always prepared with fresh water
- Safety: double safety system, guaranteed by the boiler high-temperature cut-off thermostat and the hydraulic overpressure valve
- Versatility: the large working area and the special grids allow you to use up to 13 cm high cups

Additional Information:

- Boiler Capacity: 11L
- Colour: Red
- Load connection: G 3/8"
- Drain connection: G 3/4"

Warranty: 1 year parts only
