

PRODUCT SHEET

Chord

Chord is a modular sofa system defined by its quilted supergraphic topper and intuitive configurability. The system is comprised of just three modules, with a shared footprint and open ended connectivity.

DESIGN

Nathan Martell and Steven Suchy (2021)

DESCRIPTION

Chord draws on inspiration from the low lounge sofas of the 1970s, but with a modern approach to comfort and construction. The simplicity of the system lends itself to large and unexpected configurations, while encouraging a playful and intuitive approach to composition and arrangement.

CONSTRUCTION

A multi-density foam seat provides a plush, but springy feel, while an internal wedge cleverly disguises lumbar support within a vertical back rest. Frame constructed of FSC certified and formaldehyde-free plywood. Steel and rubber connector hardware. Black stained wooden feet with felt pads.

UPHOLSTERY

Divina Melange 3 / Divina MD
by Kvadrat (Denmark)
100% New Wool

7 colors standard, 100+ on special order.
Full fabric details on page 2.
