COMFORT FOR BODY AND SOLE[®]

OFFICE, WORKPLACE AND MORE!

Try the CumulusPRO™ with its proprietary Cushion-Core™ Technology.

You'll be amazed by how it reduces fatigue and the dull ache that comes from standing on hard surfaces. The advantage is in its solid, one-piece polyurethane construction. It stands up to the heavy-duty demands of the workplace with a high-density core guaranteed not to lose support over time. Give your staff – and yourself – all-day cushioning comfort with a CumulusPRO Anti-Fatigue Mat. Its no-trip design means you'll increase safety while improving productivity.

GUARANTEED TO LAST. Durable construction combines with a resilient surface for longer life and fewer replacements. We're so confident we back it with a 10-year warranty and a 100% satisfaction guarantee.

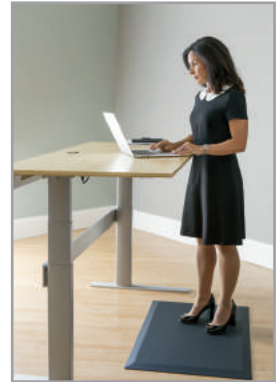

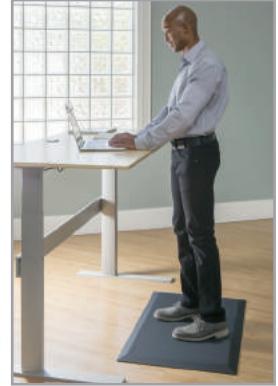

- Resistant to chemicals, abrasion and punctures
- Easy to clean, anti-microbial top surface
- Guaranteed not to lose support over time

SAFE IN THE WORKPLACE. Beveled edges, a non-slip bottom and solid one-piece, 100% polyurethane construction work together to reduce trip and slip hazards.

- Beveled, no-curl edges
- Stay-flat memory technology
- No-slip bottom

ECO FRIENDLY. CumulusPRO is manufactured without formaldehyde or toxic, heavy metals. Unlike PVC products, they're also free from noxious smells or chemical leaching.

- Non-toxic and phthalate free
- No noxious smells or chemical leaching

About.com

"As for comfort - this anti-fatigue mat makes a world of difference whether standing only a few minutes or an hour. This Imprint mat has terrific qualities including being earth-friendly, giving it an edge over other anti-fatigue mats and its comfort properties are excellent."
- Mariette Mifflin, Housewares Reviewer

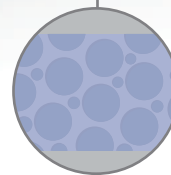

eco+
environmentally friendly
100% recyclable
phthalate free
no heavy metals
