YO.

#### **ASSEMBLY STEP 1**

Please take the Yo-Yo DESK®out of the packaging, and place it on your table/desk.

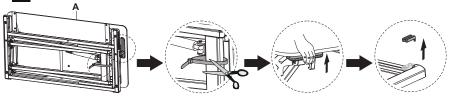

Please place the **Yo-Yo DESK**® on a surface suitable to hold the entire base of the Yo-Yo DESK® otherwise you may cause damage when operating the Yo-Yo DESK®.

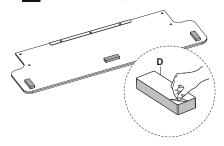

1 Cut the plastic strip locks and remove the Frame Protectors (see picture).

Press the lever on the right side and the desk will rise.

3 Attach the Keyboard Pads onto the Keyboard Tray (see picture for location).

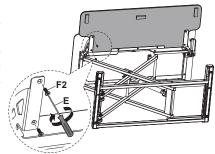

### **ASSEMBLY STEP 3**

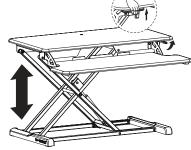

1 Place the Keyboard Tray onto the keyboard rack.

Put the screw cap on top of the Keyboard Tray, place your finger on top of the Screw Cap while you are tightening each screw through the bottom with the use of a Philips screwdriver. Do one at a time.

3 Adjust the desk to your appropriate sitting/standing heights, by LIFTING THE LEVER (on the right side).

**A** CAUTION

Please don't place your hands on the supporting bars, as they move during adjustment, and may cause injury.

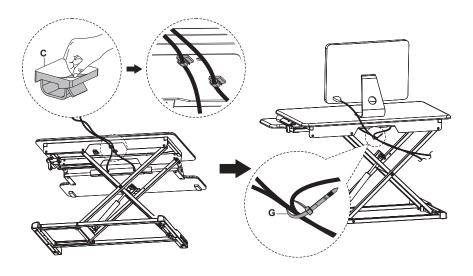

Please put your equipment on top of the Yo-Yo DESK®.

Please make sure that all equipment is fully on top of the Yo-Yo DESK®. It should not hang over the edges, as this may result in a fall and cause harm/get damaged.

Use the Cable Management Clips & Cable Ties to manage the cables.

# A CAUTION —

When using the adhesive Cable Ties, make sure that you leave enough length in the cable to allow for the full range of height adjustment, otherwise your equipment may get damaged.

#### △ WARNING

Do not place your hand near the strut. Strut's angle will change during the desktop lifts and it may hurt you.

Please don't put your hands on the supporting bars, as they move during adjustment and may cause injury.

### A CAUTION —

Please make sure that all equipment is fully on top of the Yo-Yo DESK®, not hanging over the edges, as it may fall and cause harm/get damaged.

## ACAUTION —

When using the adhesive Cable Ties, make sure that you leave enough length in the cable to allow for the full range of height adjustment, otherwise your equipment may get damaged.

# ACAUTION —

When first using your desk, please carefully set it to its maximum height, to check that you can raise the desk without causing damage to your equipment or yourself.

# ACAUTION —

Please ask someone to assist you when lifting the desk to prevent causing harm or injury.
