# Backyard Fun Begins With A Great Outdoor Kitchen

WeatherStrong Outdoor Cabinetry boxes are manufactured in the U.S.A. using 3/4" thick All-Weatherboard™ composite material, which is waterproof, and they feature stainless steel hardware and handles. Cabinet doors and drawer fronts are crafted from durable High Density Polyethylene (HDPE) and Marine Grade Polymer (MGP), available in a selection of solid colors and woodgrain inspired designs. Cabinets are factory built to order in a wide variety of sizes and configurations, making WeatherStrong cabinets ideal for outdoor kitchen, wet room and garage applications.

## The WeatherStrong Difference

<b>1 Cabinets</b>	Cabinet boxes are constructed from 3/4" thick All-Weatherboard™ composite material
<b>2 Hinges</b>	Soft Close 6-way adjustable stainless steel hinges
<b>3 Back Panels</b>	Wall Cabinets are available with an Open Back, or a 3/4" thick Full Height Back
<b>4 Adjustable Shelves</b>	3/4" thick All-Weatherboard™ composite material full depth adjustable shelves in Wall & Base cabinets
<b>5 Back Panels</b>	Base Cabinets are available with an Open Back, or a 3/4" thick Full/Island Back
<b>6 Drawer Glides</b>	Soft close, side mounted, ball bearing stainless steel
<b>7 Adjustable Legs</b>	Base cabinets are shipped fully assembled, ready to be installed on 'Sure Level' adjustable legs (included). A snap on toe kick is optional for on site modification and installation. Snap on toe kick is optional for on-site modification and installation. Decorative stainless steel legs are also available.
<b>8 Drawer Box</b>	3/4" thick All-Weatherboard™ composite material construction: four sides and bottom panel. 6" high Shallow Drawer front with 3" high drawer box. 11-3/4" high Deep Drawer front with 7" high drawer box.
