In August 2019, due to heavy rainfall in the Monsoon season, severe flood affected several Northern districts of Karnataka. According to the reports, thousands of people were evacuated to safer places and relief camps. A total of 61 people have been killed and seven lakh have been displaced. As of 14 August 2019, Over 6.97 lakh people were evacuated.

Our Sewa team visited the flood-affected regions and selected a few schools who needed our services. Below are the activities carried out by our team with the local volunteers.

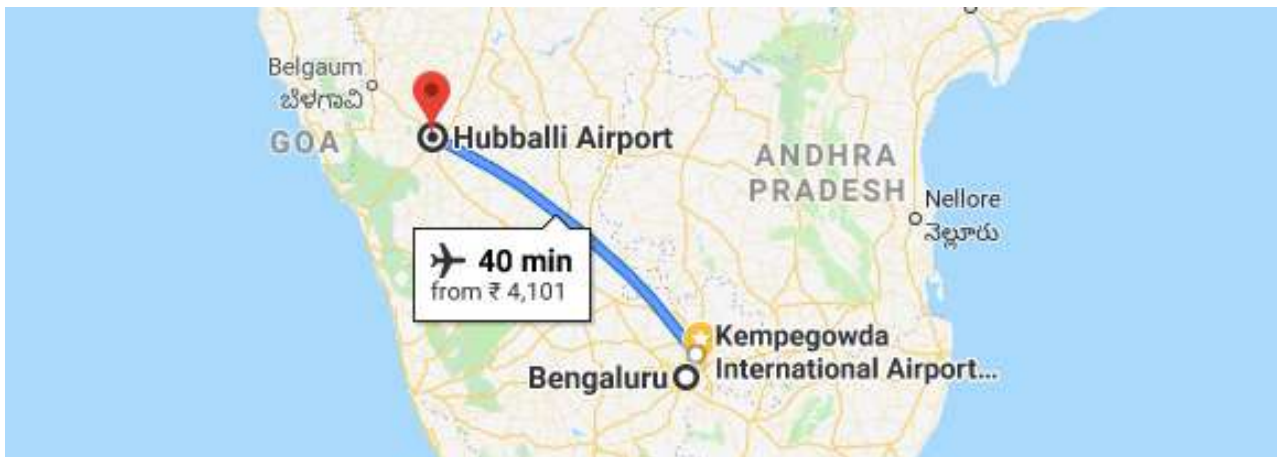

- Supplying flood relief materials to the affected regions
- Toilet constructions in above schools - 8 units
- Providing classroom furniture
- Replacing flooring and repairing cracked walls in the identified schools
- School kits distribution
