2018 UTTAR PRADESH

LUCKNOW & MIRZAPUR REPORT

Supported by:
Madhu and Shirisha Siluveru

Toilet and Hygiene Project for the girl child
www.toilets-sewausa.org

Mirzapur, Uttar Pradesh

We initiated our project in Uttar Pradesh in the year 2016. Since then, we have built over 140 toilets in four Districts of Uttar Pradesh - Mirzapur, Varanasi, Agra, and Lucknow.

We have felt a significant change in the communities where we have built toilets over the past two years. The number of enrolment in schools has increased, the percentage of communicable diseases has reduced, we can observe a healthy and hygienic environment in the villages and much more.

Sewa team conducted need analysis in five charitable schools and colleges in the month of November, 2018. We constructed 10 bio-toilets in December, 2018 across the identified regions. (refer table 1)

Table 1: List of locations in Mirzapur with the number of toilet units built as well as the number of students/people who will be benefited.

S.N o.	School Name	Location	No. of Students	No. Of units
1	Saraswati shakti sansthan	Kailahat, Mirzapur	900	2
2	Ramrati Memorial-School	Rasulpur, Mirzapur	250	1
3	Dhanvanti Devi Uch-hatar Madhymic Vid-hyalay	Jalalpur Mafi, Mirzapur	240	2
4	Kamla Neharu Balika inter college	Shivshankari Dham, Mirzapur	850	2
5	Vallabhbhai Patel Inter College	Gangpur, Mirzapur	657	2
6	Hanuman Gadi Mandir	Kailahat, Mirzapur	Floating population of 5000 devotees per day	1

Lucknow, Uttar Pradesh

From our need analysis data, we realized more than 45% of the government schools do not have functional toilet units and 50% of these schools do not have water connection. In 2018, we focused on repair and renovation of these existing non-functional toilets.

Lack of water supply for the toilets: Sewa has been doing a detailed survey & need analysis of the identified location for water sources before the toilet installation phase. We are working with the local school authorities/government bodies/donors for providing a water source for these toilets on a need basis.

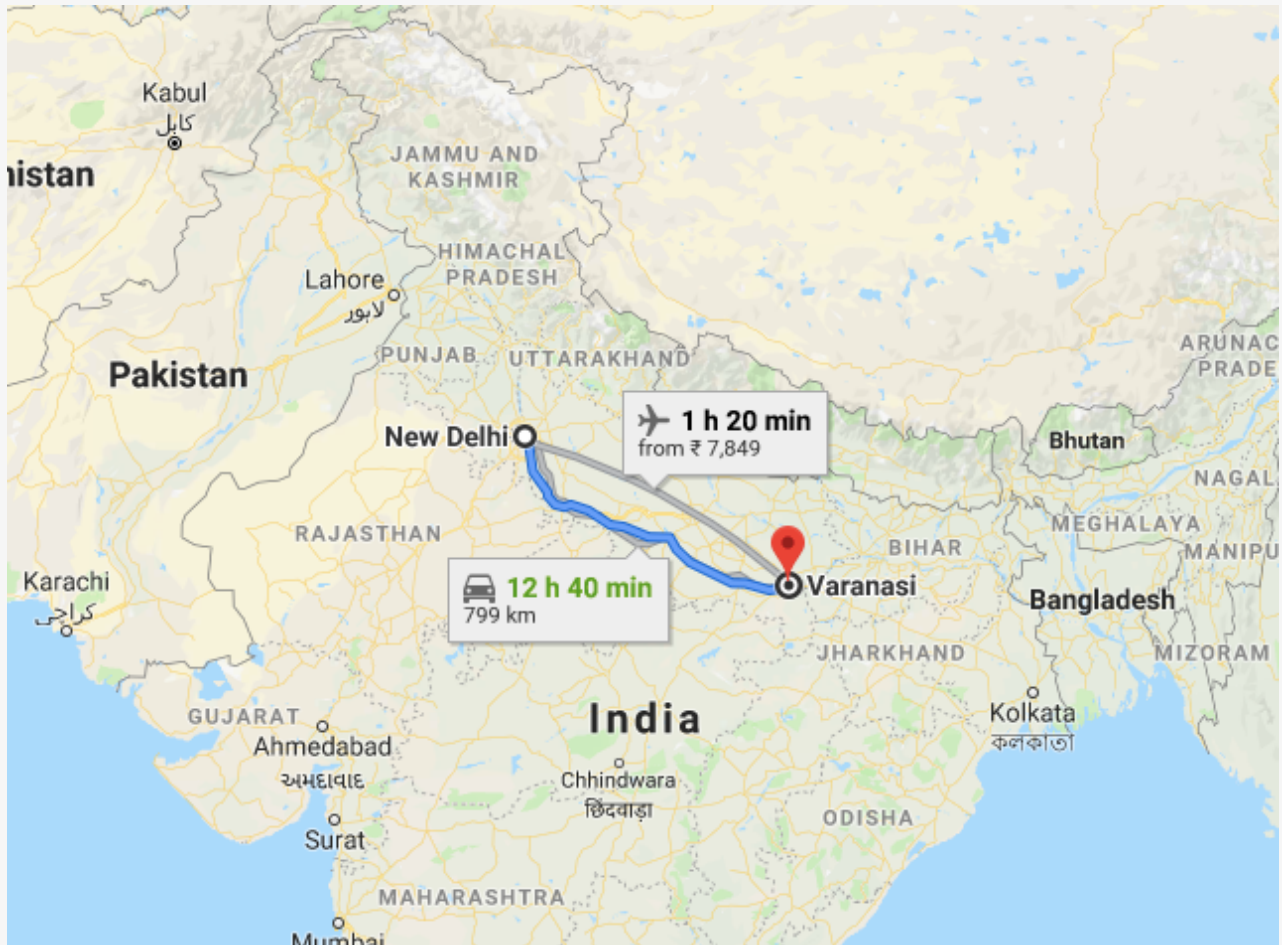

Sewa team conducted the need analysis in 5 government schools of Lucknow in November 2018. We completed the repair and renovation work of 5 toilets in last week of December 2018 which is benefitting 599 students. (refer table 2)

Table 2: List of schools in Lucknow District with the number of students benefited and no. of toilets repaired.

S.N o.	School Name	Location	No. of Students	No. of toilets repaired
1	Primary School Takrohi-2	Mayawati colony, deen dayal puram,	140	1
2	Primary School Tilakpurwa, Block Banki	Panchayat: Khspariya - 225003, Barabanki	65	1
3	Upper primary School Alambagh	Kanpur road	58	1
4	Technical intermediate college	Vijay Nagar, Kanpur road	270	1
5	Primary School Kamta	Kamta Chauraha	66	1

Project Location - Mirzapur

*The aerial distance from New Delhi to Varanasi is 676 km while the road distance between New Delhi to Varanasi is 803 km.

*Varanasi to Mirzapur - Road Distance

Project Location - Lucknow

*The aerial distance from New Delhi to Lucknow is 416 km while the road distance between New Delhi to Lucknow is 532 km.

Sewa Criteria for Identification of Schools:

1. Schools constructed on government legal land and the school authorities should provide up to date school construction documents.
2. No objection certificate issued by the governing authorities for toilet installations.
3. Unavailability of functional toilets in the school premises.
4. A higher ratio of girl students in the school.
5. Total strength of the school to be a minimum of 50.
6. Support from school authorities and local government/municipal bodies during construction and long term maintenance of the toilets.
7. Provision for water supply for the newly installed toilets or support from school/government/local bodies/individuals for making such a provision.
8. Provision for the sewage system.
9. Availability of space within the school campus for the installation of toilets.
