Shri Arvind Sodhani

School Visits

Sewa installed 50 toilets in identified schools across Sikar district of Rajasthan with generous funds from Sodhani foundation. We completed these installations amidst Covid 19 in November 2020.

Currently, we are in the maintenance stage from Dec 2020 - Dec 2021.

Sewa provides 1 year maintenance on all the newly installed toilets.

Key Activities performed by Sewa during the maintenance phase:

We visited each school to check the condition of the newly installed toilets.

We are ensuring the schools are maintaining these toilets in a good condition

We have undertaken cleaning work and few minor repairs of these toilets at few schools.

Awareness programs on hygiene, proper hand washing techniques to the school students

Ad hoc checks and school visits will continue until the end of the maintenance phase.

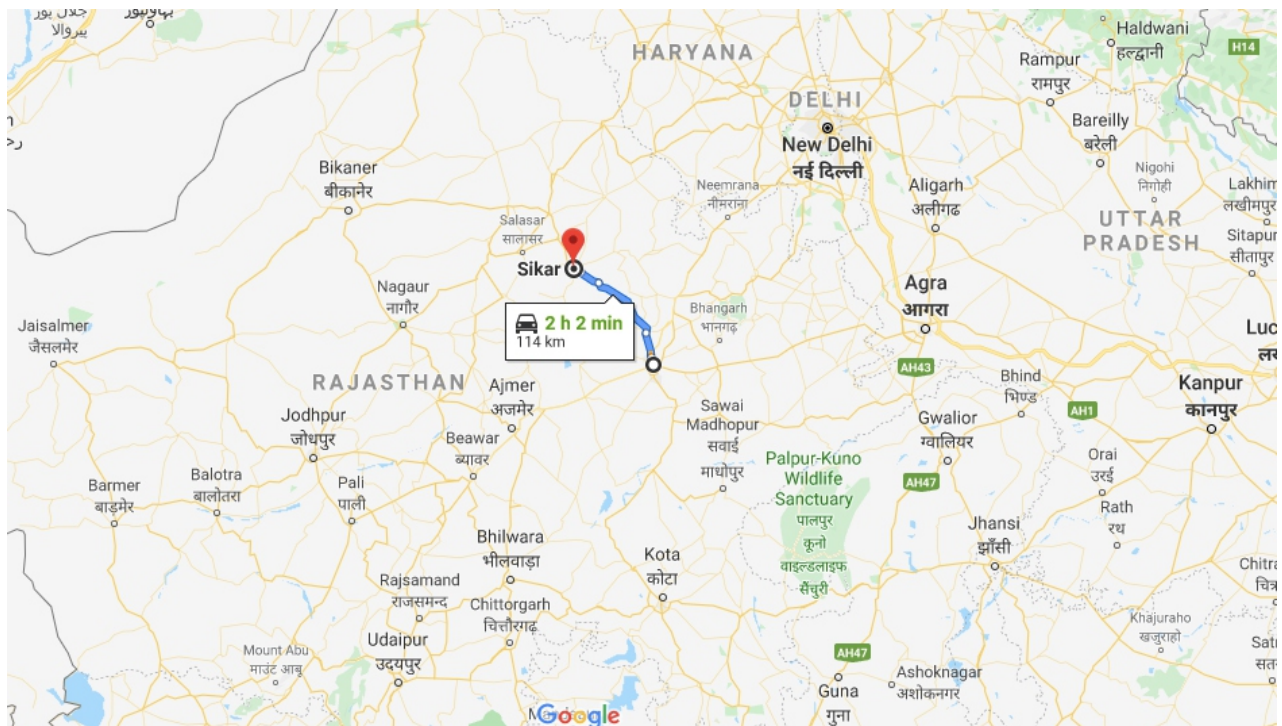

Post maintenance phase, these toilets will be handed over to the school management for long term maintenance.

Project Location

*The aerial distance from New Delhi to Jaipur is 241 km while the road distance between New Delhi to Jaipur is 268 km.

The road distance between Jaipur to Sikar District is 114 km.
