## TOILET AND HYGIENE PROJECT FOR THE GIRL CHILD

Sewa International's Toilet and Hygiene Project for the Girl Child was conceived to provide **sanitation facilities to girls** who belong to the **vulnerable section of Indian society**.

**Since 2015**, our sanitation projects have benefited **7,927 families** and **33,998 school children** from various sections of Indian communities.

**554**  
Toilets

**7,927**  
Families

**33,998**  
Students

**7**  
Indian States

# Our Services

Through these extended services, we are able to focus on the overall development of the girl child (**Sanitation, Healthcare, Education and Community development**)

**Sewa International** is building toilets in these three sections of society:

1. **Government schools:** Bio-toilets built in Karnataka, Tamil Nadu, Uttar Pradesh, Arunachal Pradesh, Maharashtra and West Bengal, benefiting **33,998** school children.
2. **Rural India:** Bio-toilets built in schools and villages across Karnataka, Tamil Nadu, and Uttar Pradesh, benefiting **4,707** families.
3. **Government-guaranteed permanent land dwelling slums:** Portable toilets built in Karnataka, benefiting **3,220** families.
