

## August 2019 Highlights

- Bio-toilet installation - Kolar, Karnataka
- North Karnataka floods - Karnataka
- Free medical camps - Karnataka & Tamil Nadu
- Google project completion - Karnataka

## I. Bio-toilet installation - Karnataka

### Area of work: Kolar

In the month of March 2019, Sewa team conducted need analysis at Sri Sathya Sai Composite High School. It's a private Government Aided school located in Srinivaspura Taluk of Kolar District. Due to delay in School administration work, toilet installation was postponed to August.

We have initiated the bio-toilet installation at the school in the third week of August, the toilet construction work will be completed by the second week of September. We are building 8 toilet units which will be ben-

efitting 365 students. (See Figure 1)

## II. North Karnataka floods - Karnataka

### Area of work: Belgaum

Due to heavy rainfall in the month, August 2019, severe flood affected the north Karnataka districts of India. As reported by the media, thousands of people were evacuated to safer places and relief camps. A total of 61 people have been killed and seven lakh have been displaced. (See Figure 2)

Sewa team conducted need analysis at the flood-affected regions of Belgaum District. (See Table 1)

### IV. Google Completion - Karnataka

We completed building 25 toilets in Belgaum District, these toilets were funded by Google. (See *Table 2*) The work was delayed due to North Karnataka floods.

## Workflow : Field Implementation with Technology

Note: We included a new school in phase two, school no.3 in Khasbag. We had to remove HPS school no.18 and MPS school no.5 from our project list due to school administration issues. Funds allocated to build four toilets in these two schools were mapped to build 3 toilets in school no.3 Khasbag and 1 additional toilet in KGS no.15, Malaprabha Nagar.
