

**SEWA INTERNATIONAL**

**TOILET AND HYGIENE  
PROJECT FOR THE GIRL CHILD**

**SUPPORTED BY: RASHMI JAGADA**

# Gangambika Hippocampus School

---

**Hippocampus Learning Centres (HLC) are transforming the lives of underserved children through high-quality education. Hippocampus started in 2011 and has experienced rapid growth since.**

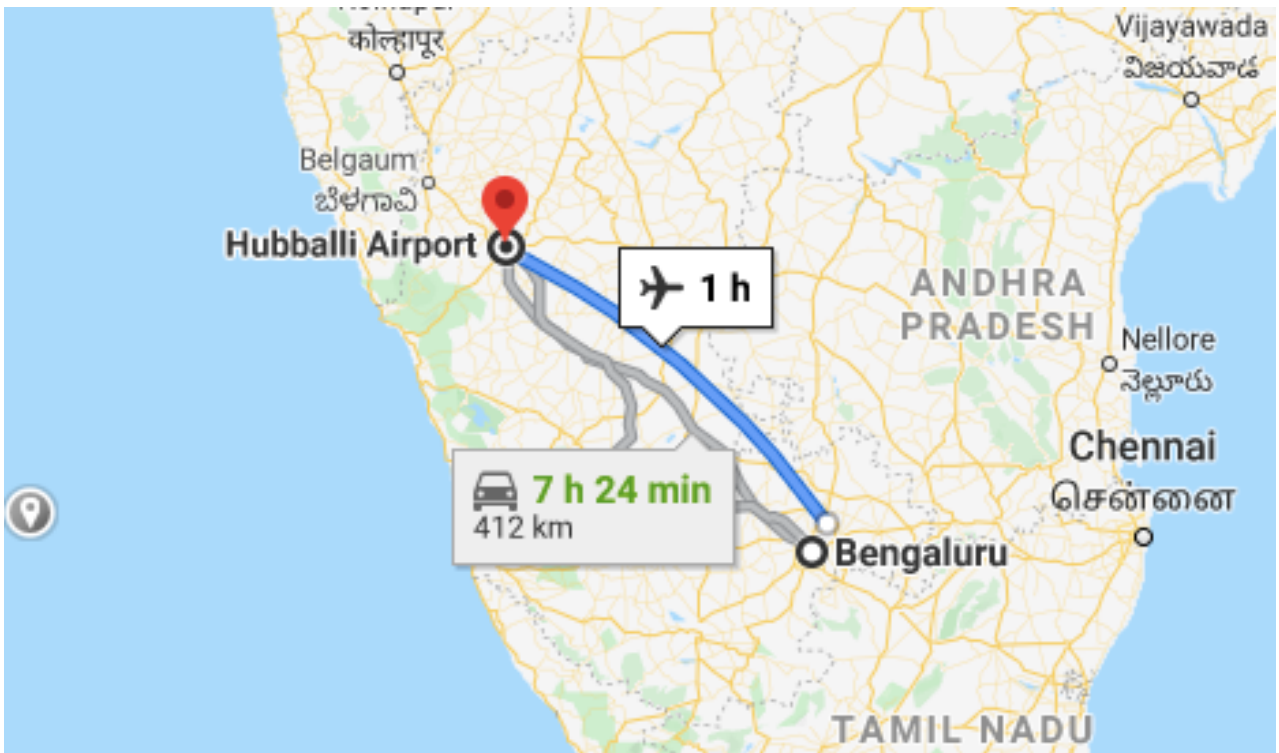

**It currently operates more than 225 preschool centers and 7 primary schools. Its programs are also licensed to more than 70 schools in Karnataka and Maharashtra. We received a request letter from the Hubli campus a few months ago.**

**Sewa conducted the need analysis and decided to build 6 toilet units. The toilet installation work was completed in the third week of December. It'll be benefitting 128 children from poor economic background families who are getting sponsored and supported at the school through various individual donors of the school trust.**

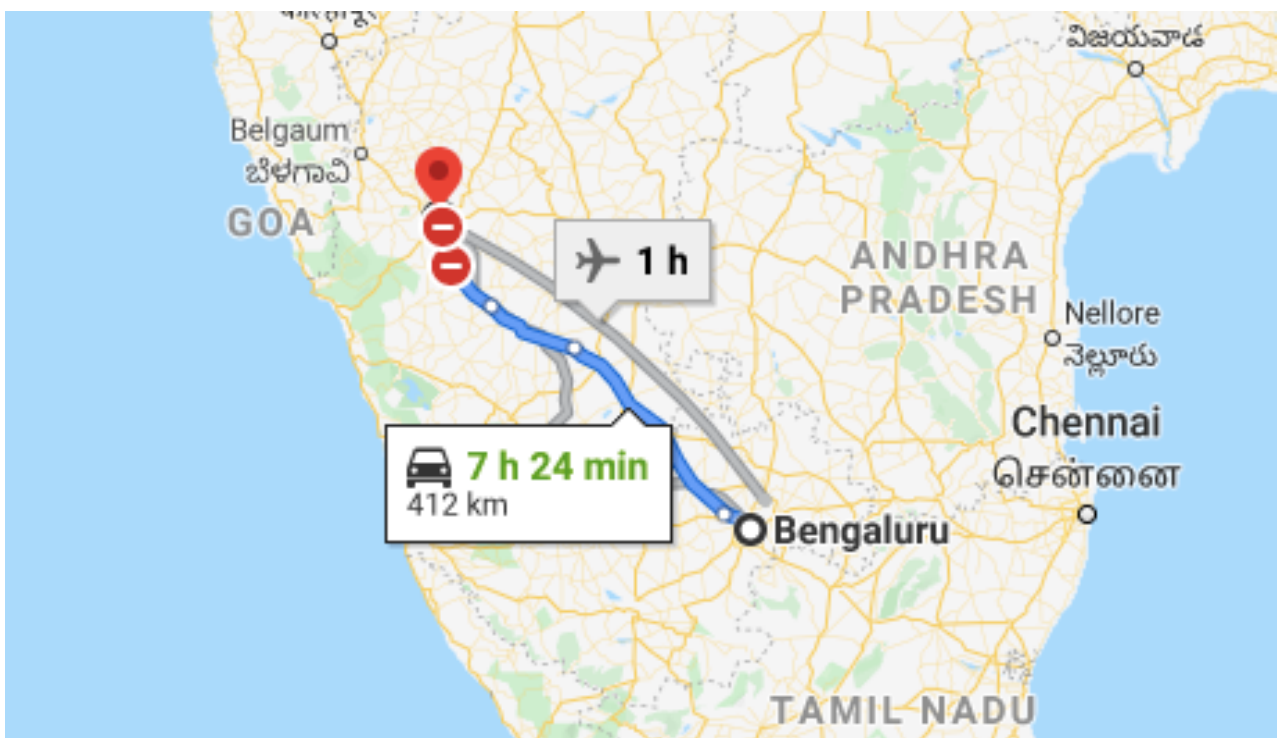

# Project Location

Route 1: Bengaluru Airport -> Hubli Airport

Route 2: The road distance between Bengaluru to Hubli is 412 km.

### **Sewa Criteria for Identification of Schools:**

1. Schools constructed on government legal land and the school authorities should provide up to date school construction documents.
2. No objection certificate issued by the governing authorities for toilet installations.
3. Unavailability of functional toilets in the school premises.
4. A higher ratio of girl students in the school.
5. Total strength of the school to be a minimum of 50.
6. Support from school authorities and local government/municipal bodies during construction and long term maintenance of the toilets.
7. Provision for water supply for the newly installed toilets or support from school/government/local bodies/individuals for making such a provision.
8. Provision for the sewage system.
9. Availability of space within the school campus for the installation of toilets.
