

December 2018 Highlights

- Need Analysis – Karnataka and Tamil Nadu
- Bio-toilet Installation - Mirzapur, Uttar Pradesh
- Access to Potable Water - Agra, Uttar Pradesh

I. Need Analysis

Area of work: Dindigul, Tamil Nadu

Beneficiaries: 500 school children

After the successful installation of 5 toilet units in tribal and rural areas of Dindigul, our sewa team has identified a

government-aided school in Chattarapatti village to expand our project in Dindigul. (see figure 1)

Figure 1: Government-aided school, Chattarapatti - Dindigul

We have identified the need for 15 toilet units under Phase II, Dindigul. Five toilet units will be built in above mentioned school this December before the school closes for Christmas holidays. The remaining 10 units will be built in January, in the neighbouring schools.

Area of work: Konankunte, Karnataka

Beneficiaries: 450 people

Under the Government guaranteed permanent dwelling slums, we have built 81 toilets in Karnataka, benefiting 3263 families. We conducted need analysis in Konankunte slum after we received request from the locality people.

We have identified the need for 5 toilets in a slum located at kothnur village Uttarhalli post, Konankunte. (see figure 2)

Figure 2: Government-guaranteed permanent dwelling slum, Kothnur village, Konanakunte

II. Bio-toilet Installation

Area of work: Mirzapur, Uttar Pradesh

Sewa team conducted need analysis in five charitable schools and colleges in the month of November. (See table 1)

Table 1: List of locations in Mirzapur with the number of toilet units built as well as the number of students/people who will be benefited.

| S.N o. | School Name | Location | No. of Students | No. Of units |
|--------|--|-----------------------------|--|--------------|
| 1 | Saraswati shakti sansthan | Kailahat, Mirzapur | 900 | 2 |
| 2 | Ramrati Memorial School | Rasulpur, Mirzapur | 250 | 1 |
| 3 | Dhanvanti Devi Uchhatar Madhymic Vidhyalay | Jalalpur Mafi, Mirzapur | 240 | 2 |
| 4 | Kamla Neharu Balika inter college | Shivshankari Dham, Mirzapur | 850 | 2 |
| 5 | Vallabhbbhai Patel Inter College | Gangpur, Mirzapur | 657 | 2 |
| 6 | Hanuman Gadi Mandir | Kailahat, Mirzapur | Floating population of 5000 devotees per day | 1 |

We have built 10 Bio-toilets in Mirzapur in the identified places mentioned in *table 1*. (See *figure 3*)

III. Access to Potable Water

Area of work: Agra, Uttar Pradesh

Children have a right to basic facilities such as school toilets, safe drinking water, clean surroundings and basic information on hygiene. Water, sanitation, and hygiene in schools create an enabling environment which secures children's dignity, safety, health and attendance in classes.

From our Need analysis data, we observed that more than 50% of the schools selected for sewa toilet and hygiene project do not have access to water. Due to lack of water supply, existing toilets had become non-functional.

We are providing fresh water connections in the following government schools in Agra, Uttar Pradesh.

1. Upper Primary School chalesar
2. Primary School islamnagar
3. Primary School tal firojkhan
4. Basic kanya School, Krashna colony
5. Primary School Khurad Basai
6. Primary School Tal firojkhan

**Thank you and warm regards,
Team Sewa International
Toilet & Hygiene Project for a Girl Child**
