8	Primary School Alinagar	Minor Repairs	1
9	Primary School Prachin Nagar kshetra	Major Repairs	1
10	Primary School Bharwaliya Buzura Vikas Shetra, Khorabar	Minor Repairs	1

### III. Access to Potable Water

#### Area of work: Agra, Uttar Pradesh

Clean, accessible water for all is an essential part of the world we want to live in and due to lack of water supply, many toilets in government schools in India, have become non-functional. We have provided water connections in 11 schools so far in Agra, Uttar Pradesh. (See figure 2)
