

Toilet and Hygiene Project for the Girl Child

Jayanthi Ramanan (j.success@gmail.com),
Project Director, Sewa International

About Sewa International

- Humanitarian nonprofit charity
- Founded in 2003
- Domestically and internationally provide disaster recovery services, execute development work, and promote volunteerism.

Our Mission

- Serve humanity in distress
- Aid local communities
- Run developmental projects for the underserved
- Assist people in transformational change through the power of innovation by mobilizing partners, donors and volunteers

Our Model

Overall Development of the Girl Child

- Sanitation
- Education
- Healthcare
- Community Development

Introduction

At present, in India, we are working with three sections of society: Government-guaranteed permanent land dwelling slums/Rural India/Government Schools

About 28 million school children across India do not have access to school toilet facility

Our Impact

Education
1700+ school children in after-school tuition centers

15160+ school children in rural areas offered Primary **Health care**

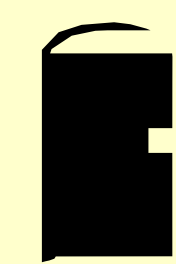

Community Development
1500+ weavers
450+ farmers

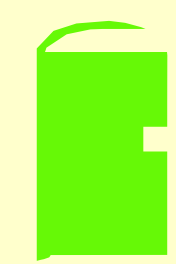

337 Toilets Benefiting
15,119 school children
7,803 families

Sewa has two toilets models:

Portable toilets: For schools and in slums --stainless steel portable model

RCC bio toilets: For rural areas -- brick & mortar model with cost-effective bio-digesters

3 Indian States

337 Toilets

7,803 Families

15,119 Students

Thank you Sewa International for providing toilets to our school. Now we don't have to wait until we get home to use the toilet. We can concentrate on classes without worrying about taking a break to walk long distances to attend nature calls in open fields

- Pushpa Age 14
Lucknow Government School

Sanitation

- Rural and tribal areas -- 4540 families and 8527 school children (Karnataka, Tamil Nadu, Uttar Pradesh)
- Urban Slums -- 3263 families (Karnataka, Uttar Pradesh)
