I. Bio-toilet installation - Rajasthan

Area of work: Ganeri

In Jan 2020, Sewa team conducted a need analysis for building 50 toilets in the Sikar District of Rajasthan supported by SODHANI FOUNDATION. Due to Covid-19, toilet installation got delayed and with all ups and downs, we have successfully built 52 toilets.

Multiple vendors worked simultaneously and have successfully completed the construction work. We are in the process of handing over the toilet blocks to the respective school management. Sewa will monitor these units for next 3 years.

III. Covid-19 4.0 -Sanitary kits distribution drive.

Area of work: Uttar Pradesh

According to a recently published medical paper, with the novel coronavirus (COVID-19) infecting many, people are seeking to boost their immune systems. We need our bodies' defenses to be as strong as possible. While there are no COVID medications that can cure or prevent coronavirus, there are steps you can take to make your defense as strong as possible.

Our team distributed 50 sanitary kits to female staffs at VibhutiKhand police station,lucknow.

Sanitary kits consists of 1set of reusable cloth sanitary pads,Sanitizer,mask & a soap.

IV. Covid-19 4.0 - Face Shield distribution

Area of work: Karnataka

India is at a critical stage in its fight against coronavirus as fears of community transmissions rise. During its lockdown, frontline workers are still going out every day to win what one doctor described as "a war India can't afford to lose" Many workers, including doctors, nurses, paramedics, police, pilots, railway workers and rubbish collectors, are braving grave odds every day - BBC report

Our team distributed around 150 face shields to the front line warriors at Vibhuthikhand-Gomtinagar police station, District magistrate office, Polytechnic chauraha-faizabad road lucknow. (See figure 5)
