**I. Bio-toilet installation - Rajasthan**

**Area of work: Ganeri**

In Jan 2020, Sewa team conducted a need analysis for building 50 toilets in the Sikar District of Rajasthan supported by SODHANI FOUNDATION. Due to Covid-19, toilet installation got delayed and with all ups and downs, we have successfully built 52 toilets.

_Multiple vendors worked simultaneously and have successfully completed the construction work. We are in the process of handing over the toilet blocks to the respective school management. Sewa will monitor these units for next 3 years._

**Area of work: Uttar Pradesh**

According to a recently published medical paper, with the novel coronavirus (COVID-19) infecting many, people are seeking to boost their immune systems. We need our bodies’ defenses to be as strong as possible. While there are no COVID medications that can cure or prevent coronavirus, there are steps you can take to make your defense as strong as possible.

*Our team distributed 50 sanitary kits to female staffs at VibhutiKhand police station, lucknow.*

*Sanitary kits consists of 1 set of resuable cloth sanitary pads, Sanitizer, mask & a soap.*

IV. Covid-19 4.0 - Face Shield distribution

Area of work: Karnataka

India is at a critical stage in its fight against coronavirus as fears of community transmissions rise. During its lockdown, frontline workers are still going out every day to win what one doctor described as "a war India can't afford to lose" Many workers, including doctors, nurses, paramedics, police, pilots, railway workers and rubbish collectors, are braving grave odds every day - BBC report

Our team distributed around 150 face shields to the front line warriors at Vibhutikhand-Gomtinagar police station, District magistrate office, Polytechnic chaura-faizabad road lucknow. (See figure 5)

V. Covid-19 4.0 - Livelihood program.

We are running computer and spoken english training program for Covid affected families in Bengaluru.

This program is for youth above 18 years of age & for citizens who have lost their jobs to covid. The computer training covers topics on MS office, troubleshooting, softwares & hardwares etc., Spoken english covers greetings, Grammers, handling job live situations etc.

Over 30+ candidadates have enrolled for the first batch of training that started on oct 1st 2020.

*Sewa has also tied up with a placement company called Vaahan Ai for blue collared job placements. Vaahan has over 50+ clients - Amazon, flipkart, Big basket, Myntra etc to name a few.*

Post training, representatives from vaahan will be conducting on spot hiring for our candidates.
