Description

Geranium has a wonderfully balancing effect on the skin and has long been used in the perfume industry. Geranium essential oil dates back to ancient Egypt when Egyptians used this essential oil to beautify skin and promote beauty. This uplifting oil has a great all-over balancing effect on the mind. Geranium can aid in clear skin and strong, healthy hair, making it the perfect component in skin and hair products. It can also aid in relieving stress and calming nerves. Geranium can also naturally repel insects.
