Description
Lemon essential oil has many benefits and uses. Because it is a powerful cleansing agent, Lemon can be used throughout the house to purify the air and clean surfaces. Lemon can be very beneficial to the circulatory system and aids with blood flow, reducing blood pressure. It can also help bring down fever, help relieve throat infections, bronchitis, asthma and flu. Add Lemon essential oil to your water for a healthy start to your day, as well as part of a daily regimen in cleansing and aiding digestive function. Lemon also supports healthy respiratory function. When diffused, Lemon is very energizing and uplifting and has been shown to improve mood. Lemon can also be added to food to bring out the flavor in the dish.

Uses
- Diffuse for colds, voice loss, flu, depression, stress, and lack of energy
- Take internally along with peppermint and lavender to support seasonal distress
- Add Lemon essential oil to a spray bottle of water to clean all surfaces in your home. You can also use Lemon essential oil in a DIY furniture polish.
- Use lemon to pull stickers off of frames and to get markers off of walls
- Add to water to cleanse and detoxify as well as a mouth wash or gargle
- Diffuse to uplift mood and clean the air
- Add to base cream to clear congested skin

Properties
Anti Anemic, Anti-Bacterial, Anti-Microbial, Anti-Rheumatic, Antiseptic, Carminative, Diaphoretic, Diuretic, Insecticidal
