Description

During World War II, soldiers and sailors were issued Melaleuca essential oil as part of their kit, to treat topical infections and infected wounds. "Tea Tree" oil has over 92 different compounds and many, many uses. Melaleuca is highly purifying and can aid in clear breathing as well as clear and healthy complexion. It is one of the most powerful immune stimulant oils and helps fight infections of all kinds. Melaleuca has a strong effect on environmental threats because of its purifying qualities and is often used on skin irritations to soothe the skin. Melaleuca can also clear abscesses, acne, burns, herpes, oily skin, athlete's foot, cold sores, blemishes, deeper rash, sunburn and infected wounds.
