Aromatic Description

Citrus, sweet. fresh

Collection Method

Cold Pressed/Expression

Plant Part

Orange rinds (peel)

Main Constituents

Limonene

Description

Wild Orange is a vibrant and radiant oil, bringing happiness to the mind and helping those who use it to relax. As with many citrus peel oils, Wild Orange contains powerful antioxidants that help maintain overall health. Orange can be used to aid in colds and flu, helps to eliminate toxins, and is also stimulating to the lymphatic system. For the digestive system, Wild Orange essential oil can help with constipation as well as be useful in cases of nervous tension and stress. It can also be used on surfaces as a natural cleaner.

Uses

- For an "energized focus" combine one drop Wild Orange with one drop Peppermint in palms, rub together and inhale deeply and also rub on back of neck
- Diffuse to calm anxiety and uplift mood and energy levels
- Add to water to clean and purify surfaces in the home
- Diffuse to aid colds and flu
- Diffuse to help children sleep at night
- Add to a base cream to assist the lymphatic system and detoxify a congested skin

Properties

Antiseptic, Antidepressant, Antispasmodic, Anti Inflammatory, Cholagogue, Carminative, Diuretic, Sedative and Tonic
