 HESTAN

Grilling.  
A Perfectionist's Pursuit.

Grilling is a personal obsession. Our engineers experimented, innovated, tweaked and tinkered until they created the most versatile residential grill available.

We build each grill from scratch at Hestan Headquarters in Anaheim, California.

The only drawback with this level of performance is you can't blame anything on the grill.

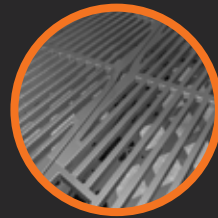

Beautifully hand crafted  
in the United States and available in 12 colors.

Hestan's patented Trellis™ burners  
made from stainless steel titanium provide full  
coverage on the cooking surface.

Hestan's "Flip to Cook" briquette trays  
allow you to clean while you cook, prevent  
messy flare ups and disperse the heat evenly.

Hestan's Diamond LaserCut™ grates  
made of stainless steel provide a flat surface to  
cook on and are fully reversible and usable  
on both sides.

Hestan's patented rotisserie burner  
is placed above the burners instead of on the  
back wall like other brands. Use it as a  
salamander grill, broiler or culinary finisher.

Hestan's Horizon Hood™  
is a counter-balanced, easy-to-lift hood that  
stays open in any position. Let out some smoke  
or check on your dinner. This is a Hestan  
exclusive feature.
