The screenshot displays the POS software interface. At the top, there is a menu bar with options: File, Credit, Debit, Gift, Misc. Below the menu bar, there is a section for "Your Company's Name" and a list of items with columns for Item No and Description. The items listed are: 1 Hair C, 2 Highl, and 3 Sun T. A credit card terminal is shown in the center. To the right, there is a "Transaction Options" section with fields for Amount (100), Invoice# (8416549), and Sales ID (none). There are also checkboxes for "Show Status Window" and "Show Result", and a "Remove Folder" button. Below this, there is a large empty area with the text "XCPurchase" at the top. At the bottom, there are several buttons: "OnScreen Keyboard", "Process Card", "Your Proc", "Gift Receipt", "Tax", "Log-Out", "Delete a line", "Edit Price", "Custom Item", "Clear", "Clear All", "Line Number:", "Untaxed items Total", "Taxed items Total", and "GRAND TOTAL". A "Credit Card Purchase Information" dialog box is open in the foreground, containing fields for Credit Card Number (with a dropdown menu showing "Swipe Credit Card"), Expiration (MMYY), ZIP Code, Address, and CV Code. There are "OK" and "Cancel" buttons at the bottom of the dialog box.
