## REDMONKEY PARTNERS WITH BIKEFETTISH

Effective Immediately, RedMonkey Sports products will be available through BikeFettish's distribution channels. Already in over 30 countries, the new partnership will help propel RedMonkey into new international markets as well as expand its domestic base.

"We are proud to have BikeFettish represent the RedMonkey Sports brand professionally with strategic placement across multiple distribution channels capitalizing on both domestic and international opportunities. We look forward to a long term partnership that will include advising and steering the marketing direction of the RedMonkey Sports brand." stated RedMonkey owner, Michael Nasco

RedMonkey Sports emphasises the love of cycling. The staff are experienced riders who understand the products cyclists need. They design cycling accessories to fit the demands of avid riders, products people love to use, and products that make cycling a safer and more comfortable sport. RedMonkey Sports stands behind their products 100%

RedMonkey Sports donates a portion of all sales to cycling charities such as Homes for Our Troops, Project Rwanda, Project Bike Love, Bikes For Boobs, PeopleForBikes, Bike MS and more.
