

A chest spreader that you will love. Go places no wheeled spreader can travel with 40 LB of your favorite material. Seed grass in waterways, road banks, wet areas, or place food for wildlife (deer, ducks, fish). Finally, a chest spreader that performs so well, you will be dancing your way back to the garage.

FEATURES

- **DURABLE AND WATER-RESISTANT MATERIAL:** **EASY TO USE:** Strap into the comfort backpack-type harness, set the rate, and start spreading between 8-12 feet wide.
- **COMFORT:** Large buckles and a quick tug on the front adjustable straps, and your spreaders set for a comfortable height.
- **CAPACITY:** Hopper capacity of 40 LB allows you to be productive and fill less often.
- **DURABLE QUALITY:** The sealed gearbox is lubed at the factory and maintenance-free. Chrome-plated crank and epoxy coated steel provide years of service.

The 3-hole drop system allows for the spread to disperse in a 180

The included cover protects moisture from getting in and dust from getting out.

Adjust your spreader to your lawn size with the control assembly.
