

FLAGSHIP

45 lb bag covers 15,000 sq ft

Yard Mastery™ Flagship 24-0-6 contains macronutrients nitrogen and potassium to stimulate and support healthy lawn growth and dark green color. 50% slow release nitrogen ensures a longer lasting result. Also in the bag is 3% iron to push the green darker into the blue color range along with a smattering of micronutrients required for healthy turf. Flagship is also spiked with Bio-Nite™ to stimulate microbial activity and healthy soil. The smell of success extends the color even longer, and tells you it's working.

Spreader Settings 3lbs/1,000 sq ft:
