CP7008

IP65

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7008	All aluminum	12W / 24W	COB	IP65	Sand black Sand ash	3000K	AC85-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v-265v
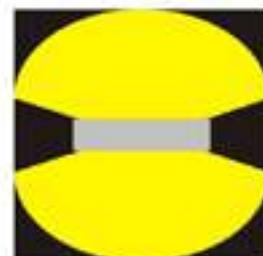

Extérieur
CP7014

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7014	All aluminum	12W / 24W	COB	IP65	Sand black Sand ash	3000K	AC85-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v~265v

Extérieur
CP7015

| | | | IP65 | | | | | C€ |

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7015	All aluminum	12W / 24W	COB	IP65	Sand black Sand ash	3000K	AC86-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v-265v

Extérieur
CP7001

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7001	All aluminum	7W / 10W	COB	IP65	Matte Black / GREY	3000K	AC100-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v~265v
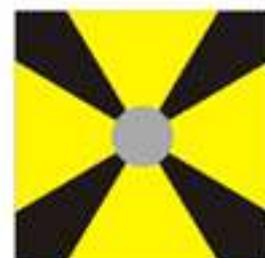

Extérieur
CP7004-2

IP65

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7004-2	All aluminum	7W	COB	IP65	Sand black Sand ash	3000K	AC100-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v-265v

Extérieur
CP7005

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7005	All aluminum	12W	COB	IP65	Sand black Sand ash	3000K	AC109-265V

Gardens, balconies terraces and walkways

● Die-cast Aluminium body
● Protective powder coated finish
● Silicon rubber gasket
● External driver with extended range 100v-265v

Extérieur
CP7007-1

IP65 CE

Code	Material	Power	Light source chip	Waterproof level	Exterior color	Luminous color	Input voltage
CP7007-1	All aluminum	7W	COB	IP65	Sand black Sand ash	3000K	AC109-265V

Gardens, balconies terraces and walkways

- Die-cast Aluminium body
- Protective powder coated finish
- Silicon rubber gasket
- External driver with extended range 100v-265v
