

WOLF + CANDOR

DEBUT COLLECTION

Wolf + Candor means pure authenticity. No labels. Just being human and following the spirit of your intuition. Our garments are designed with a clean and classic style and a spark of new age swagger.

**CREATED IN THE U.S.
INSPIRED BY THE BEST
OF EUROPEAN DESIGN**

Wolf + Candor empowers
customers to wear and
accessorize each piece to be
more masculine or feminine
according to their true style.

**BOLDLY
DESIGNED
DETAILS**

Strike a balance of gender fluidity with simplified styles and neutral-based colors such as black and grey.

NEW AGE SWAGGER

Wear confidence on the outside with unique pieces designed for fluid expression of authenticity, as memorable as they are comfortable.

CLASSIC DETAILS

...designed for now, infused with love, sustainably sourced.

Wolf + Candor founder and creative director Kate Crossley is a conscious designer based in Kansas City, Mo., once the heart of America's fashion industry and in the midst of a contemporary resurgence with designers like Crossley breathing life into its historic Garment district. With an eye for clean lines and quality craftsmanship, Crossley curated her debut collection to blend and balance feminine and masculine details. The result? A timeless expression of empowerment.
