

Alpha Blu Smoothing Skin Serum

The Alpha Blu Smoothing Skin Serum is highly-concentrated and infused with several ingredients including anti-inflammatory agents and grape vine extract containing antioxidant properties that promote skin renewal.

Alpha Blu Smoothing Skin Serum contains cytokines and proteins to support the improvement and firmness of skin while promoting elasticity and offering a natural boost to create a youthful glow. With regular use, the skin will look and feel renewed.

Product Differentiation

The Alpha Blu skincare line will contain ingredients derived directly from ethically harvested adult human stem cells.

Key Ingredients

- Cocos Nucifera (Coconut) Fruit Juice
- Cucumis Sativus (Cucumber) Juice
- Helianthus Annuus Seed Oil

Application / How to Use

Apply to skin twice daily in an upward motion after cleansing and toning and before application of eye, day, or night cream.
