

# HEAT SHIELD

## Heat Blocking Compound

A reusable putty designed to protect sensitive parts from heat damage during brazing, soldering and welding. No more need for messy wet rags!

- Apply, remove and reuse – up to 40 times!
- Handy colour changing putty shows you when you need to replace the pot
- Keeps piping and sensitive components cooler than a traditional wet rag during brazing, soldering or welding

**APPLY,  
REMOVE  
REUSE!**
