Antimicrobial Brass Products

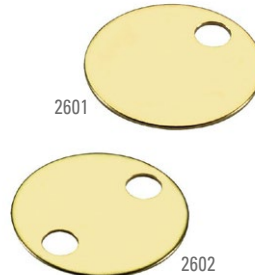

Several of Lucky Line's quality products are available in brass options. These brass products are inherently antimicrobial, meaning they slow the spread of germs. Brass does not rust or corrode, making these products extremely durable and long-lasting. Brass is also great for the environment as it is 100% recyclable.

Brass Rings

#803-#804

- Durable key rings hold multiple keys securely
- Ideal for all-weather use, will not rust or corrode
- Made of solid brass
