Brass Quick Release #705

The Brass Quick Release key ring is an upgrade to one of our best selling products. Brass slows the spread of germs to help keep hands clean. This makes the Quick Release ideal to slow the spread of germs when leaving keys with family, friends, valets, or mechanics. Tough and long-lasting, brass will not rust or corrode. Perfect to keep keys secure and organized. It is also durable, eco-friendly, and 100% recyclable.
