## Key Bands write-on Key Identifiers

### #171 & #172

Easily identify your keys with these color-coded write-on key identifiers. Bands are colored heat-shrink plastic. Slide band over key head and apply heat. Band shrinks to form-fit the key head providing a writable surface. Available in Medium and Large. Size Medium is ideal for standard size keys, such as house keys. Size Large is ideal for larger-headed keys, such as office keys.

#### 2 Sizes:

Bands shrink to form-fit key head, providing a writable surface.

Ideal for awkwardly shaped keys, when standard key caps will not work.

Heat-Shrink plastic form fits to keys, reducing bulk around key chain.

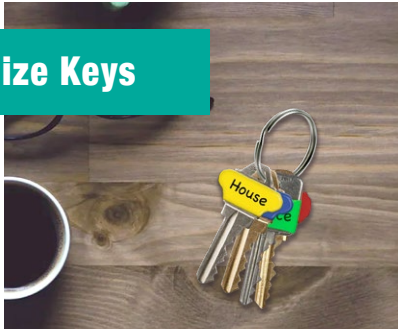

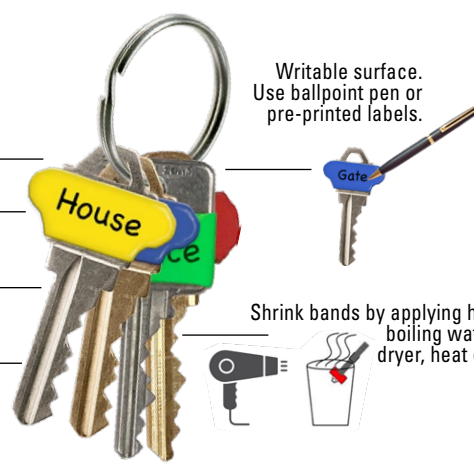

Ideal for awkwardly shaped keys, when standard key caps will not work.

Four colors available: Red, Blue, Green and Yellow.

Two sizes available: Medium and Large.

Writable surface. Use ballpoint pen or pre-printed labels.

Shrink bands by applying heat with boiling water, blow dryer, heat gun, etc.

Key Bands allow you to easily identify and color-code your keys.
