## WHAT TO WEAR NOW

MIX IT UP THIS SEASON—WE PICKED FALL'S MOST WEARABLE AND AGE-APPROPRIATE TRENDS

**IN YOUR 20s GO WILD (WEST)**

- No need to bake in the desert to achieve a bronzed glow.
- Faux leather lends sass to the traditional pencil skirt.
- A backpack is grown up when done in etched leather, like this one from Charleston, SC, designer Hepler Poe.
- Top a printed dress with this Karen Kane draped vest. Finish the look with tall boots.
- This Memphis-made necklace has the look of a found and treasured relic.
- Pair a nude lip with smudged brown eyeliner.
- Austin's Suzanne Galbreath creates pieces that'll make strangers stop you on the street.
- Channel native spirits in these antique brass-plated studs.
- This wide-brim hat is equally suited for sunny days and cool, fall nights.
