# Olivia's Get-Glam Secret:

# Bib Necklaces

**R**eality star Olivia Palermo knows how to make an ordinary outfit extraordinary — with a bib necklace! A cross between jewelry and a garment top, a bib necklace makes a statement with everything from an LED to a simple lace. “I like embellished blouses, they can be worn with multiple accessories,” says Suzie Galegher, designer of Suzanna Day jewelry. No wonder other stars are following Olivia’s lead!

# Olivia's Get Bib N

Reality star Olivia Palermo knows how to make an ordinary outfit extraordinary — with a bib necklace! A cross between jewelry and a patterned top, a bib necklace makes a statement with everything from an LBD to a simple tee. "Unlike embellished blouses, they can be worn with multiple ensembles," says Suzie Gallehugh, designer of Suzanna Dai jewelry. No wonder other stars are following Olivia's lead!
