## UNDER THE SEA

Nothing says summer like a bounty of sea treasures. Whether literal (a real seahorse dipped in gold!) or a more oblique reference, an oceanic bauble is your crystal-encrusted accessory.

Customer satisfaction from regular use is around 80% ("highly satisfied") across all three segments. In terms of product usage, 80% of "highly satisfied" users report using the product every day. For the "satisfied" segment, 60% report using the product every day. For the "unsatisfied" segment, 50% report using the product every day. Overall, 60% of users report using the product daily.
