"Braids are great for changing the shape of your hair without cutting it," hairstylist Sam McKnight muses about this commitment-free homage to model Alice Dellal's famed punky undercut. "They have to be tight to emulate shaved hair." To give strands some grip—and a cool nineties grunge edge—try rough blow-drying with Bumble and Bumble Surf Spray. Alice + Olivia by Stacey Bendet jacket, Meadham Kirchhoff T-shirt, Sister by Sibling skirt, Suzanna Dai earrings, \$215. Details, see in This Issue.
