

PanelGuard Junior™ Assembly Instructions

Stand PanelGuards upright

Remove the bone hinge

Slide the hinge into both grooves simultaneously

Make sure the hinge is flush

Set-up is complete and ready to use.

- PanelGuard Jr.™ is not fully assembled. Carefully unpack units as panels are not connected.
- If you have no angle bends you can order top caps (Model No. 13038) to secure straight hinged sections. Cannot be used when unit is being bent.
- For added stability, "L" brackets or double sided tape can be used to mount the unit.
