

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style wines.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and a Rhone-style GSM blend. Our Chateau Figareaux line highlights Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, featuring a classic Bordeaux-style red blend called Tradition.

2013 PINOT NOIR

Bjornson Vineyard

Eola-Amity Hills

Alcohol: 12.9.0%
pH: 3.56
TA: 6.18

The Bjornson vineyard resides in a locale within the AVA that is notable for many distinguished vineyards. While young, this vineyard is showing early signs of great promise. The wine we have made from this vineyard draws from the oldest plantings in Kristjan's Block situated on Jory and Nekia volcanic soil types. In The 2013 vintage of this wine has the rich imprint of a warm summer, moderated by a late season rain that brought everything back into balance. The result is a layered, ethereal Pinot noir made from a blend of two-thirds Pommard and one-third 777 clones. The Bjornson vineyard is LIVE Certified and Salmon Safe.
