

SEVEN OF HEARTS

Seven of Hearts is about exploring different vineyards, appellations, and varietals: cool-climate varietals from the Willamette Valley and warm-weather varietals from the Columbia Valley, Oregon and Washington.

Using traditional winemaking methods, our goal is to produce sincere wines of purity, complexity, and character. We partner with growers who primarily farm organic and sustainably, and who are stewards of their land and vines, providing the attention to details that produce great fruit and capture the best qualities of each vintage.

The label on the bottle, with its neo-classical elements, symbolizes our passion for wines in the old-world tradition that reflect where they are from and the conditions under which they were grown.

LUMINOUS HILLS

Under our estate label, Luminous Hills, we produce Pinot noirs that are specific to a distinct place in the southwest corner of the Yamhill-Carlton AVA with a unique combination of aspects, two diverse and well-delineated soils, dramatic elevation changes, and carefully matched Pinot noir clones and rootstocks to each block of the vineyard. The wines produced from Luminous Hills capture the broad expression of the entire vineyard in the “*silver label*”, the southwest aspect with emphasis on lower elevation sedimentary soil in the *Lux*, and the southeast aspect, higher elevation and volcanic soils in the *Astra*.

Harvest Date: September 23, 2020

Cooperage: Barrel aged 18 months in 22% new French Oak

Alcohol: 14.1%

pH: 3.63

TA: 5.74

From the famous Block 5 planting of Cabernet Sauvignon high on the rocky slopes of Alder Ridge Vineyard in the Horse Heaven Hills of Columbia Valley Washington, this source delivers the structure, concentration, layered and age-worthy old-world style of Cabernet Sauvignon that we prize. Following a long, cold maceration, the dark small-berried fruit was slow fermented, followed by a short-extended maceration and then aged in a series French oak barrels including one new (Seguin Moreau, a long-time favorite of ours for Cabernet Sauvignon), with the rest once and twice filled. A yeast strain isolated from the Pauillac appellation in Bordeaux home of some of the world's finest Cabernet Sauvignons and an inspiration for ours.
