

MYHIXEL CONTROL

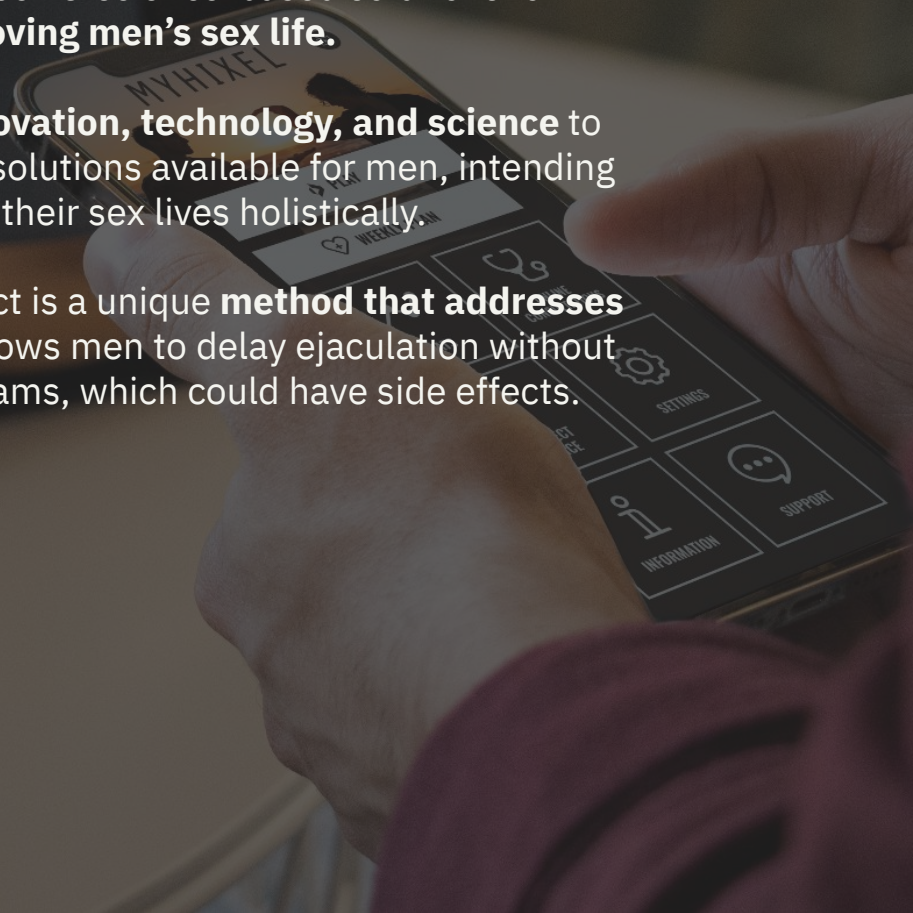

The most advanced tech
solution for climax control.

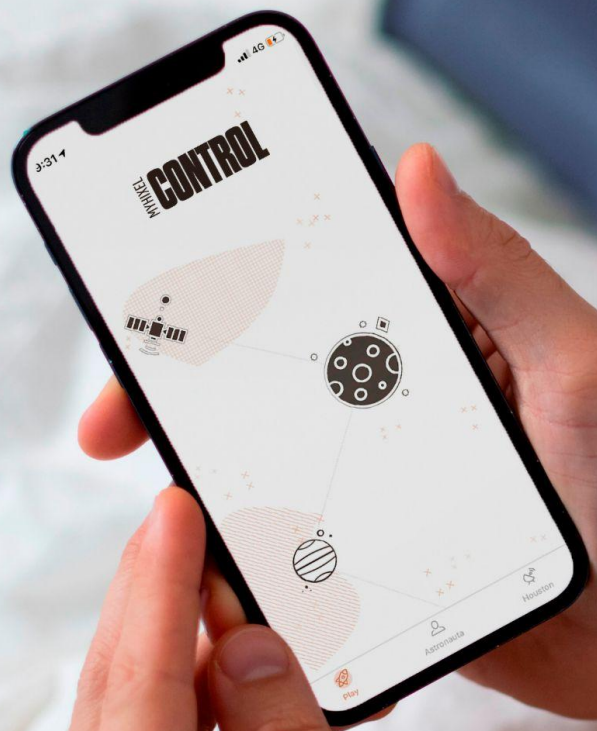

WHAT IS MYHIXEL?

MYHIXEL is a pioneering, disruptive male sexual health brand that offers tech & science-based solutions for **improving men's sex life.**

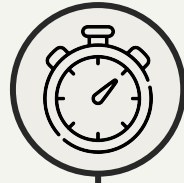

We've combined innovation, technology, and science to make a wide range of solutions available for men, intending to improve their sex lives holistically.

Our best-selling product is a unique **method that addresses climax control** and allows men to delay ejaculation without pills or numbing creams, which could have side effects.

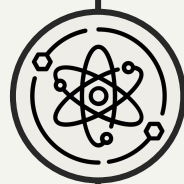

WHY TRUST IN MYHIXEL?

The most pioneering method for **ejaculatory control**.

97% of users have improved their control, and **men who had a lack of ejaculatory control** increased their time up to **7 times more**.

Backed by scientific research. **Without significant side effects.**

Endorsed by **health professionals**.

MYHIXEL CONTROL

MYHIXEL CONTROL is the ultimate solution applying AI to **improve ejaculatory control**, offering a brand new user experience, thanks to the evolution of our app and the stimulation device's latest features.

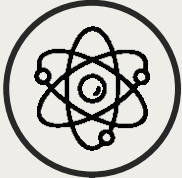

HOW IT WORKS

It combines the upgraded **MYHIXEL Play app** and the **stimulation device MYHIXEL II**. Thanks to the artificial intelligence of the MYHIXEL Play app, the program adapts the steps to provide the user with a **personalized experience**.

The app contains an **anonymized, game-based training program**, which lasts **8 weeks**. Everything is specially designed to improve ejaculatory control. The application guides the user while performing the different activities that have to be performed along with the male sexual health device MYHIXEL II.

Among its new features, it includes automatic data collection, sent in real-time via **Bluetooth** from the MYHIXEL II device to the app. The program also offers **weekly information and advice on nutrition, fitness and mindfulness exercises** focused on sexual well-being. Thanks to this, the user will be able to make a **global approach** to the improvement of their **sexual wellbeing**.
