BEHIND MYHIXEL

GROWTH OF MYHIXEL

Since the launch of our first product in 2019, **we have had a turnover of more than €3.5 million**, distributed throughout more than **50 countries**. This comes from an average monthly sale of 500 units, with more than **30,000 units sold in 5 years**. Much of the sales has come from the United States, which means a year-over-year growth (in 2020) of 480%.

This success has been recognized by **awards at relevant events** in the startup sector, as well as in technology and

innovation, winning awards such as '**Best New Company 2020**' at the Sign Magazine Awards, '**Second best startup project**' at *Pitch at the Beach* (the most significant investment event in Latin America), and the **Xbiz Award** for our innovative role in the industry where we won **Best Device** and **Best Intimate Brand**, in addition to other awards and nominations in major events.

Patricia López

CEO and Founder

Patricia López Trabajo leads the MYHIXEL project. She was born in Seville, and has **extensive experience in diverse sectors**, among them tourism and the **sexual health industry**. In fact, after working for several years for leading brands in this field, she became aware of the **lack of products available for improving male sexual well-being**. This is one of the main reasons why she embarked on the adventure of founding MYHIXEL.

“

*“Because we know that sex is important, **MYHIXEL’s goal is to care for men’s health by offering a revolutionary solution to help men improve their sexual wellbeing through climax control.**”*

MYHIXEL team

MYHIXEL team is formed by **professionals from various sectors and expertise**. Our team is specialized in topics concerning male sexual wellness. It can be described as **communicative, dynamic and energetic**. After all, we work to **maximize the full potential of the company**. At MYHIXEL, our purpose and aim is to achieve everyone's sexual health to the next level.

SCIENTIFIC INNOVATION COMES TO MEN'S AID

SCIENTIFIC INNOVATION COMES TO MEN'S AID

At MYHIXEL we have a **long history of scientific research** and experience in cooperation with the Miguel Hernández University of Elche (UMH) and the Sexology Institute of Murcia (ISM).

Since 2015, we have been carrying out **different researches with more than 2000 patients**, and have invested more than 50,000€ simply on medical research related to sexual health and technology.

In fact, the programs included in the **MYHIXEL Play app** are the **result of this scientific innovation** that allows men and their partners to have a better sex life, thanks to ejaculatory control, and **without any significant side effects**.

We have proven MYHIXEL to be the only **natural treatment** that allows men to control ejaculation, **multiplying 7 times the endurance** of men during sexual intercourse.

Our stimulation device, has also been **designed by medical experts and engineers** to guarantee the best possible experience.

In fact, our last study published at *Plos One* journal is about the *efficacy of Sphincter Control Training and medical device in the treatment of premature ejaculation*.

SOLUTIONS AND SERVICES

SOLUTIONS AND SERVICES

MYHIXEL CONTROL

It is our **most innovative solution** to improve ejaculation control. It incorporates **new tech functions** which adapt to the user's needs, offering a unique experience to improve male intimate well-being.

It combines the **MYHIXEL Play** app program, together with the **MYHIXEL II** stimulator device. Whose new **AI features** help men improve ejaculatory control while enjoying and enhancing their sex life and their partners.

SOLUTIONS AND SERVICES

Once the most suitable MYHIXEL option has been acquired, the user will have **access to his own specific program** through the MYHIXEL Play app and will be able to **reach new levels of pleasure in his sex life**.

In addition, to complete the MYHIXEL experience, **we offer accessories** that help men reach the next sex level, such as **MYHIXEL Lube** (lubricant), **MYHIXEL Cleaner**, and the **Hands Free accessory**.

SOLUTIONS AND SERVICES - MYHIXEL CARE

As a brand dedicated to men's well-being, in addition to our products and services, we have also created MYHIXEL Care, a new range of male hygiene and care products designed for male intimate care, which includes:

MYHIXEL Oil: relaxing massage oil that increases the sensitivity of the intimate areas, leaving the skin smooth, moisturized, and perfumed with apple and cinnamon aphrodisiac aroma.

MYHIXEL Cream: moisturizing cream with a light texture, developed for male intimate areas and used as a preventive method against itching or dry skin.

MYHIXEL Gel: intimate gel specially created for male intimate hygiene. Its ingredients have been carefully selected to protect delicate areas and prevent infections.

MYHIXEL Lube: MYHIXEL's natural lubricant, is water-based, dye-free, and with a fresh scent. Specially designed to lubricate the MYHIXEL device.

HOW TO REACH NEW LEVELS IN SEX LIFE WITH MYHIXEL PLAY

MYHIXEL Play 2.0 + MYHIXEL II

The most innovative combination

To the already advanced MYHIXEL Play app, we have added **new functions and features** that enhance the user experience while learning how to improve ejaculatory control.

The upgraded app 2.0 is **the first one that includes IoT (Internet of Things) for male sexual health**. It uses Machine Learning to provide the user with a customized program that adapts to his progress, applying the latest generation of AI (**Artificial Intelligence**) to personalize the app.

It has a **Bluetooth connection with the device** and tracks the user's progress in real-time, whose data is secure and anonymized. In addition to the training program, it offers **nutrition, fitness, and mindfulness plans** focused on sexual health.

On the other hand, the MYHIXEL II device incorporates movement and speed sensors, 2 levels of suction, and an IPX7 waterproof system, among other features.

The APP collects data simultaneously and **generates personalized statistics about the user**, allowing real-time monitoring of his evolution.

07

MYHIXEL II THE ULTIMATE STIMULATION DEVICE

MYHIXEL II

One of our upcoming launches is the **MYHIXEL II**, the **most advanced stimulation device on the market**, more **innovative** than ever with **new features** and the **latest technology** to enhance the user experience.

It has a **Bluetooth system** that **connects the device with the MYHIXEL Play app**. This allows continuous monitoring of the user's evolution.

It has **movement and speed sensors** that **record the device's movement** when it is in use, recognizing the level of inclination, the speed, and the duration of the activity along with the rest intervals. This provides a **total analysis of the user's progress** and offers individualized tracking to the user.

MYHIXEL II

MYHIXEL ACADEMY

MYHIXEL ACADEMY

QUALITY SEX EDUCATION FOR EVERY BUDGET

MYHIXEL Academy is a platform dedicated to sex education where men's intimate health is the main focus. At MYHIXEL, as a brand focused on improving men's sex lives, we believe in the importance of disseminating quality content on male sex education and breaking all the taboos surrounding this topic.

In our digital academy, we strive to reach out to everyone with relevant content created by experts and sexual health professionals, seeking to achieve a society that is aware of the importance of having a good sexual wellbeing.

The platform is divided into different blocks of content on male sexual health, accompanied by audiovisual material and lessons from specialists.

As our goal is to make sex education accessible to as many people as possible, we offer this affordable platform for everyone. We believe we are part of an educational revolution, proving that there are no taboo subjects when it comes to sexuality and men's health.

MYHIXEL Academy is for everyone, whether single, married, divorced, parents, teachers, shy, outgoing, social, gay, straight, bisexual... there are no limits to sex education and the more people who receive this information, the better it is for the future of sexual wellness and our intimate lives.

"WE WANT TO REACH AS MANY PEOPLE AS POSSIBLE AND GIVE THEM THE OPPORTUNITY TO HAVE QUALITY SEX EDUCATION."
