CAREER OBJECTIVES

To work, build and maintain a strong position in the film and TV industry (both network and TV series), creating original content that entrusts major motion picture films, animation cinematography, and original TV series, screenplays and original adaptations, holistically giving skills, life, and art forms to the fictitious characters.

INTERESTS

Film, Television, Music, & Dance

PROFESSIONAL SUMMARY

A passionate actor, an original artist, and national Team USA competitive dancer, she was a chosen contestant of Miss Idaho USA.

She is a substantial personality and professional and won several dance titles. Backed by a network of screen contacts and reputation for artistic integrity, her modeling and acting achieved renowned recognition.

Her enormous work incorporates live classical performances, community theatre, film parts, and other forums involving training, therapy, and education.

Her commitment to professionalism contributed and carved a niche in several award-winning national dance and National Team USA United Spirit Association team competitions platforms in the USA.

TESTIMONIALS

"Your dance performances was BRILLIANT. Such an elegance, art, and beauty, just the right tone, and it showed off your talented side beautifully."

~Julie Stevens, Dance choreographer, Fitness promoter; - Dance Dimensions

"Her dance theatre programs are the holistic cultivation empowering and aspiring to the active participants in a fast-paced industry. Her professional, vetted keen eyes are the expansive roster of industry professionals. "

~Teresa Vaughn, artist producer, host presenter; - Dance Dimensions
