See below for complete van specifications

Overview

Below are the specs for our conversion package - we've found this build to be the most versatile and functional combination of all the Adventure Wagon offerings. You can alter some of the selections along with customizing the colors and materials for different parts of your build to suit your needs. If interested please submit an inquiry with the van number on the Van Purchase Program Page of the website. Once submitted an Adventure Wagon representative will reach out with next steps.

Adventure Wagon Conversion
