

## **B Corp Certification - Disclosure Questionnaire Documentation**

**Disclosure Questionnaire category:** Energy and Emissions Intensive industry

**Updated as of:** 04/24/2024

K9 Ballistics Inc is involved in the production/sale of products, or is part of an industry that can potentially be classified as energy and emission-intensive, meaning that they are more likely to have significant impacts on the environment based on their carbon emissions associated with their operations and their contribution to climate change. Certified B Corps are required to make transparent their involvement in such activities or industries.

Any party aware of specific company practices that have had a negative impact related to their involvement in the sensitive industry, and which may constitute a violation of the B Corp standards, may contact us via our [public complaints procedure](#).
