## WARRANTY REPLACEMENT TOOLS – (800) 255-7011

To warranty an allegedly defective tool, please call JS Products Customer Service at (800) 255-7011 or email [cservice@jsproducts.com](mailto:cservice@jsproducts.com), to request an RGA (Return Goods Authorization) number. The part numbers and associated cost can be found in this booklet on pages 16-21.

Please have the tool part number and quantity available along with your store number, address, phone number, contact name, and company email address. JS Products Customer Service will provide an RGA number at that time.

The new tool will be shipped out within three days (or sooner if crucial tool) tracking by RGA number. The new tool will contain a "call tag"; please place the allegedly defective tool into the box, and place the call tag on the box for return shipment to JS Products.

Once the allegedly defective tool is inspected by the JS Products Quality Control Department and deemed defective, the RGA will be cleared. If the tool is not deemed defective, but rather broken due to misuse or negligence, the store will be notified and charged for the tool.
