

Make Carpet Cleaning a

BREEZE™

Truckmount Power in a Portable. That might sound like a bold statement, but it's the truth. Just ask anyone who's experienced what the Breeze can do.

Recovery tank with ultra strong baffle design.

Large 10" rear wheels make stair climbing easier.

4" locking casters provide great maneuverability.

Carpet cleaning is a Breeze when you've got an extractor this powerful! All Breeze units feature Mytee's LX™ vacuums, producing **250 CFM** and **182" of water lift**. That's enough power for hose runs as long as 150 feet!

There's a Breeze that meets your needs.

220 PSI

BZ-102LX
